

Happy Friday! Here is today's news:

1. The **Community Golf Tournament is coming up Saturday, April 26th**. Entry fee including golf and cart is \$38. We will have a bbq with hamburgers and all the goodies that go with them following the tournament. The dinner cost is \$10. Golfers and non-golfers are encouraged to join us! Registration forms may be picked up at the office or viewed/printed from our web site, www.skymountainhoa.com, "Information", "Forms", "Golf Tournament". Prizes will be sponsored by Baja Cable TV, Sky Mountain Golf Course and Joe & Bonnie Rutledge-Realtors with ERA. You get to pick your own team, so find 3 friends and sign up for this fun event.
2. The Social Committee is hosting the **annual spring fashion show on Wednesday, April 16th**. Reservations can be made at the office or with Social Committee members. Tickets are \$10/each.
3. This week's **safety tip** from Board member Karen Wlodarek:

The Water Scam - If you wake up in the middle of the night to hear water outside running or what you think is a burst pipe, **DO NOT GO OUT TO INVESTIGATE**. Home invasion robbers turn on all your outside taps full blast so that you will go out to investigate and then they attack. Call the police to come to investigate for you.

4. Spring officially began this week and the **weeds** are making themselves known. Please take some time and some weed killer and spray your rock areas, cracks in your driveway and sidewalks and the crack between the gutter and the street in front of your house.
5. **Vacant lot owners** also need to do **weed control**. Please either take care of your own weeds or hire a service to spray the weeds on your vacant lot.
6. The **minutes** from the February Golf Estates Board meeting have been posted to the web site, www.skymountainhoa.com, "Association", "Golf Estates", "Meeting Minutes".
7. The **Master HOA Annual Meeting will be held next Saturday, March 29th at 10 a.m.** Please be sure to go to the web site and print your Trustee Election ballots and retrieve your **NEWLY REDUCED HOA DUES information**. www.skymountainhoa.com, "Association", "Master", "Annual Meeting Documents".
8. The Master HOA **re-landscape project** is so very close to completion. I anticipate sending you final pictures next week of the project.
9. A resident asked me to once again mention they are experiencing **dead circles in their lawn** from dog urine. I don't have the answer for this one since there is not a rule about now allowing your dog to urinate on grass, but please be aware that dogs urinating in the same place over and over can definitely leave a dead area.
10. **Announcements from HOA residents:**
 - a. Resident Lorry Miller has been heading up the **Emergency Preparedness endeavor** in our area in coordination with the City and the local Ward. Some changes are being made in the Emergency Preparedness focus as follows:

Revised Plan For Emergency Preparedness

Administered By The Church Of Jesus Christ Of Latter Day Saints

In Cooperation With And Thru The City Of Hurricane

It has been a long time since any updates on what is happening with the Emergency Preparedness Program here in Sky Mountain. Much has happened and I will attempt to give a fair overview of where we are. First and most important; The City of Hurricane, for whatever reason and I don't know why, has decided to no longer sponsor or run an emergency program outside of the City Departments themselves. We will no longer have monthly meetings or updates as before. They will conduct and have ready their own departmental programs and plans but will no longer be reaching out to assist on a neighborhood basis except as requested by such groups. Their focus will be on what "they" need to do in event of a disaster.

As the city has drawn away from initiating or supervising local neighborhood participation on emergency preparedness, they have asked the LDS Church to step in to assist by running the program on a local level. The Church has agreed to do that. Such activity will be for and with any of its members and local residences that wish to voluntarily assist in aiding and protecting our local neighborhoods and residences in event of a severe emergency requiring the aid of local municipalities and services that may not be immediately available.

Such effort will be coordinated by local Church Bishop's under direction of their respective Stake President's. They in turn will coordinate directly with the Mayor and or other individuals who will be responsible for directing the city activities of the various required departments including; fire, utilities, maintenance and police departments. As it stands right now we plan to continue with the system already in place, meaning neighborhood areas, blocks, area representatives and block captains as they are. Other ideas are welcome and we will be working hard to get a firm idea on what we can do and what we should expect as individuals.

I actually feel like this is a really good move and will result in a more secure and deliberate program. For those that may not be aware: In event of a dramatic disaster each of us need to plan on being self sufficient for at least 3 days. Emergency departments have that "cushion" built in to their programs allowing time to get their own programs going and actually get help to the people. A temporary shelter will be established at the LDS Church: 452 North 2600 West. Shelter, medical aide, food, security etc will be available and coordination with medical response teams, fire, police etc as required. ALWAYS CALL 911 FIRST. But remember phones may be out of service, power gone, roads impassable etc. We all need to plan for water, food, medical needs or medicines, clothing, personal hygiene, pets, security and sanitation concerns etc for a minimum of 3 days on your own.

Are 'you' ready?

Lorry Miller Emergency Preparedness Coordinator

- b. Resident Jim Summers has the following announcement regarding the Marine Corps League Fund Raiser Golf Tournament**

The Marine Corps League of Southern Utah will be holding its 7th annual charity golf tournament at the Sky Mountain Golf Course on June 14, 2014. The Marine Corps League is a 501c3 organization, so all entry fees are deductible. The MCL supports several local charities, mostly to assist youth organizations, veteran organizations and provide appropriate military tributes to our fallen heros from all service branches. All revenues go to these activities or for the uniform expenses to provide public appearances, ie. Parades and funerals. Entry forms may be picked up from Kent at the Sky Mountain Pro Shop or call Larry Mineer at 627-8182 or email larry@constructionmonitor.com. Turn in your entry forms and checks, payable to the Marine Corps Leage to the pro shop. Entry fee is \$90/person including cart, range balls and lunch.

- c. Residents Mel Krause and Jane Harper have the following **items for sale**, phone 435-635-3393

= Marcy Hers MS 93 Stepper with Handle \$60

Durable steel Frame

Extra wide foot print for superb stability

LCD display helps keep track of your workout.

Stabilizing handlebar for added support

Height adjustable to control difficulty of step motion

Product Description

Steel frame: 2" x 2"

Construction:

Sturdy 12 gauge steel

Color/Finish:

Color: Black and white

= Maxxus trainer with full exercise chart \$110

Original owners manual and DVD

Very good condition with all the original accessories

= 2 Cabela's Outfitter XL Cots with Cot-Side Nightstands \$135 for both

Huge 40" x 85" size

Includes Cabela's Cot-Side Nightstand

600-lb. weight capacity

Do you love spending multiple days in the outdoors fishing, hunting and camping, but dread sleeping on a tiny, uncomfortable cot that really is built too

flimsy to adequately support your weight? Constructed with a heavy-duty 600-lb. weight capacity and sporting a huge 85" x 40" x 20-1/2" size,

our Outfitter XL cot gives you the strength and support of your full-size bed at home. And we're offering you this comfortable sleeping system

with a free Cabela's Outfitter patented Cot-Side Nightstand to keep your personal belongings organized and at your fingertips. The cot's innovative

rubber leg bushings absorb shock and add firm support to eliminate the sagging and bowing common with other cots. Reinforced legs

combined with 600-denier nylon fabric for season after season of lasting performance. A lightweight aluminum frame complete with

spring-loaded connecting pins delivers quick, hassle-free setup. Cot-Side Nightstand has a full-length rear compartment that facilitates

sliding in a rifle or shotgun for safe keeping. And it has multiple compartments for your medication, clothing, toiletries and more. Cot and Nightstand fold down separately. Includes nylon carry bag. Imported.

Dimensions: 85" x 40" x 20-1/2".

Weight capacity: 600 lbs.

Pack size: 42" x 9" x 7".

Carry weight: 26 lbs.

Color: Black.
