

Happy Friday! Here is today's news:

1. Pool season is in full swing! Many of you and your families are enjoying the pool and while most are very respectful of our facilities, there have been some issues. Following are the **pool rules** as a reminder for you. Please make sure your guests are aware of the rules prior to visiting the facility. Two items to take special note of are the requirement for **children to wear SWIM DIAPERS** and **that NO SMOKING is allowed in the pool area**. A cigar stub was found in the pool area this morning and cigarette butts are found on a regular basis. Please smoke outside the pool fence confines and dispose of butts in the ash urns provided by the east and west clubhouse doors. Swim Diapers are made to provide safe and leak proof barriers for your child to be in the pool. Regular diapers allow leakage and cause contamination of the pool.

We care about your safety-SECURITY CAMERAS IN USE

2. Two residents have reported **rattle snake encounters** on their property. One was in a cactus cluster on 2500 W and the other was on a driveway on 750 N. No one was harmed in either encounter, but please be aware the snakes are out. We have several harmless varieties, but rattlesnakes are also present from time to time.

3. To my knowledge everyone has now complied with having their palm tree fronds trimmed. However, some of you wanted to give your trees some time to see if they would sprout new growth once the temperatures warmed up for a few weeks. We have been in the 90's and even reached 100 a few times already. If your tree does not have any green sprouting, it is really unlikely that a miracle is going to occur. **If you are one of those with a palm trunk standing with no growth, please have those removed no later than July 1st.** If you need assistance with removal, let me know and I will be happy to give you the name and phone number of a tree service.

4. A couple of residents have asked me to remind everyone to be cautious when you are on 2500 W (Stoneridge Drive) as you approach the **golf cart crossing area**. It can be very difficult to see around cars in driveways and you can be on top of a golf cart before you know it. Please slow down and take extra caution on all of our streets and particularly the two areas where golfers are crossing.

5. The **office will be closed this afternoon**. I will return at 8 a.m. on Tuesday.

Resident Announcements:

Resident Jim Summers has asked me to announce the **Marine Corps League Dixie Detachment #1270 Golf Tournament coming up next Saturday, June 14th**. The Entry fee is \$90/player which includes cart, range balls and lunch and of course supports the many worthy causes the Marine Corps support throughout the year. The activities supported include Toys for Tots, Devil Pups Youth Program, Sheriff's Office Explorers, aid to Marines and their families in distress as well as providing color guards for parades and military honors for fallen

veterans. Registration forms for the tournament can be obtained at the HOA office or by contacting Larry Mineer at 435-627-8182.
