TO: Sky Mountain Home Owners
FROM: Penny James-Garcia, Community Manager
SUBJECT: Landscaping Contract for 2018

The Got Sod crew has enjoyed working here at Sky Mountain for the past 4 years. Our goal is to continually improve the homeowner's yards as well as the common areas. No change in pricing will occur for 2018. We appreciate your business!

Our contract pricing is attained by our residents staying on the contract for the calendar year. Once you begin receiving landscape services you are obligated to stay on the contract for the calendar year unless you sell your home. **Those staying on the contract do not need to submit any paperwork.** If you have not been on the contract, but wish to join, please give me a call or stop by the office.

Contract Prices for 2017:

- 1. Front and Back Yard Care** which includes mowing, edging, trimming, pruning of bushes on a regular basis, annual aeration, sprinkler clock regulation, fertilization of grass areas, weed control in grass and rock areas, leaf removal in fall and winter months **\$94/month**
- 2. Front or Back Yard Care**-includes the same services as above but is intended for those residents who have desert landscaping in either the front or back and only need lawn services in one yard **\$68/month**
- 3. Weed & Prune Only**-includes weed control of rock areas and pruning of bushes. This service is intended for residents who have all desert landscaping but wish to have weed control of your rock areas and to have your bushes pruned on a regular basis **\$44/month**
- 4. Weed Only**-includes weed control only. This service is intended primarily for those residents who own vacant lots and wish to have your weeds continually controlled **\$25/month**

I wish to have Got Sod maintain my yard for 2018.
