The Bug Man is offering a Pest Control Contract to the residents of Sky Mountain. Service will consist of 6 exterior treatments each year (every other month). Inside treatments are free. Residents will need to indicate they want inside treatment otherwise only the exterior will be treated. If inside treatment is desired, it must be scheduled so the technician can gain access to the home.

The Bug Man has a No Bugs Guarantee-if you have any pest problems inside your home between your regularly scheduled treatments, they will come treat the problem at no charge.

A one year commitment is required to receive the discounted pricing. Service will be provided every other month, but you may pay monthly if that makes it easier for your household budgeting. Payments may be submitted with your HOA dues if you wish. (example: if you are on the \$32/treatment plan you may include \$16/month with your dues. If you are on the \$24/treatment plan you may include \$12/month with your dues.)

All Technicians are licensed and highly trained professionals. Any problems may be addressed to the HOA office or directly to The Bug Man offices at 635-7787.

The Bug Man is a subsidiary of Keep It Green Landscape, residents who are on the HOA landscape contract will receive an additional discounted contract rate.

Contract rate:
\$32/treatment for 6 treatments or a total of \$192 _____

Contract rate for residents on the HOA landscape contract:
