

Sandy Boley-My husband and I have had connections to the Sky Mountain community for 18 years. We owned a second home here from 2000 to 2007. We were still very much engaged in our careers in Salt Lake City and Utah County. By 2007 we were both retired and built our present home on Sky Mountain Boulevard. Like most other residents we wanted to escape the cold and snow. We love this peaceful, welcoming community and the people who have chosen to live here. I am a retired Elementary school teacher who works well with children, so I hope I can relate well to adults. I've served several years on the Clubhouse Committee and filled in this year, as secretary, on the Masters HOA board for a resident who moved away. I'm just getting the hang of things and would be happy continue in this position for a 2 year term.

Craig Kendell- My wife and I moved to Sky Mountain in 2012 after retiring from the Uintah area. I attended Weber State with a major in Criminal Justice. I spent 44 years in law enforcement including 9 years as Chief of Police in Uintah. I most recently served as Mayor of Uintah City from 2002-2010. I have 8 grandchildren and 4 great grandchildren. I would welcome the opportunity to continue to serve on the HOA Board.

Glen Moore-My wife Melanie and I have lived in Sky Mountain for a little over a year and a half. We enjoy the community, its quiet atmosphere, beautiful surroundings, and friendly neighbors. I look forward to contributing more to this community. With this in mind, I am submitting my name to serve as a Board Member.

I am 70 years old and have lived in Utah since my retirement in 2004 from the California Highway Patrol, where I served for 33 years, retiring as Lieutenant of the San Bernardino Area Office. My career included many varied and some unusual assignments throughout California, all of which I enjoyed. I am also retired military, having served 10 years in the Naval Reserve and 12 years in the California Air National Guard, retiring in 1991 as a Tech Sergeant with the 144th Fighter Interceptor Wing.

Public safety and service has been a major focus of my life and has brought me great satisfaction. Melanie and I have been married for 44 years and have 6 children and 24 grandchildren. We are active in the Church of Jesus Christ of Latter-Day-Saints which has and always will be the center of our lives.
