

Sandy Boley

My husband and I have had connections to the Sky Mountain community for 20 years. We owned a second home here from 2000 to 2007. We were still very much engaged in our careers in Salt Lake City and Utah County. By 2007 we were both retired and built our present home on Sky Mountain Boulevard. Like most other residents we wanted to escape the cold and snow. We love this peaceful, welcoming community and the people who have chosen to live here. I am a retired Elementary school teacher who works well with children, so I hope I can relate well to adults. I've served for several years on the Clubhouse Committee and as Secretary on the HOA for the past 5 years. I would be happy to continue in this position for another 2 years.

Bruce Scott

My wife Betsy and I have been owners at Sky Mountain for 7 years. We have now sold our house in Kansas and become residents of Utah. We spend about half the year here and split the other time in Kansas with our Children and Betsy's Parents and with Family at our Lake Complex in Cover D' Alene Idaho.

I was a military child and traveled extensively. Many schools in many years. Graduated from High School and College in Kansas. We have lived there for 30 years. I have had several jobs in different industries, all involving sales. My last was as an Insurance Professional specializing in Non- Qualified retirement programs for Executives and business owners. Using Cooperate Owned Life Insurance, COLI, and Bank Owned Life Insurance, BOLI to finance the programs. Betsy and I are also minority owners in a small Communication Company in Kansas City.

Board experience includes Board membership with the Fellowship of Christian Athletes. 3 years on the Board total. The last year as the Chairman. I also participated in my Children's High School Site Council for 6 years. Parents were mostly in an advisory role, being introduced to new programs and allowed to give opinions and participate in discussions.

Any other information you would like please let me know. We enjoy the area and participate in Golfing and Hiking. Other interests are fishing and hunting. We have 3 grown children and 2 wonderful grandchildren.

Harvey "Buster" Seder

My name is Harvey "Buster" Seder, I am a resident of Sky Mountain in the Masters community and would appreciate your consideration to fill the upcoming vacancy of Vice President on the Masters Board of Trustees. A majority of my working career was spent in business, sales and personnel management while employed by the largest equipment rental company in the world. During that time I sat on several committees involved in policy, procedure and analysis. In my private life I served as an officer for a recreational club and also took key positions in event management for the same club. I believe I can draw from my professional and personal experiences to add value to the Masters H.O.A.

My wife Susan and I moved to Sky Mountain in 2021, we searched many communities in the Ivins-St George-Hurricane area before discovering Sky Mountain and falling in love with the community. We patiently waited for an opportunity to purchase a home here and feel very fortunate to be part of this community. I would be honored to serve as your Vice President and have the opportunity to give back and help keep the community the special treasurer that it is.

Respectfully,
Buster Seder
662 N Sky Mountain Blvd.
